

Erasmus+ is a program of the European Union for education, training, youth and sport, in force for the period 2021-2027, established by Regulation (EU) No. 2021/817 of the European Parliament and of the Council of May 2021.

The program is focused on key activities including student individual mobility for learning purposes.

The student mobility is divided into:

**Mobility for
*Study***

**Mobility for
*Traineeship***

ERASMUS+ Program

Mobility for *Study*: it is based on Bilateral agreements.

- During the mobility it is possible to take courses (and exams) and take advantage of the facilities available at the host institution without additional registration fees.
- There is the guarantee of the recognition of the **study period abroad** (i.e. the acquired ECTS) based on a **Learning Agreement**, i.e. a **Study Plan within the mobility**, to be followed abroad, approved by both the Home institution and the Host institution.

Mobility for *Traineeship*: it is based on Bilateral or Individual Agreement, there is the guarantee of the recognition of the activity abroad on the basis of a **Traineeship Agreement** approved by both Home and Host Institutions. Graduate students can also participate.

ERASMUS+ Program

It is possible to repeat the Erasmus+ mobility more than once during the university career, alternating periods of Study and/or Traineeship, for a maximum of 12 months of mobility for each of the 3 cycles of study (Bachelor, Master and PhD).

Duration of the mobility

- Mobility for *Study*:
minimum 2 months, max 12 months

Duration of the mobility

- Mobility for *Traineeship*:
minimum 2 months, max 12 months
